768	NOSLEY Mr. Jean-Louis	France	What is identity? To be what I am. what makes the unity of the individu. what about the national identity? can't live without it. we will be more confused if we refused to be French, etc. a definition of patriotism and one of nationalism. (778) answer from P. Hintzen. Thoughts, critics about the play "Germany, for instance".	
780	SONNENSCHNEIN Miss Beate	Germany	I realised I am a German. The play made a big change in me. I need to love my country, because if not, I can't do anything for the world and my country that I hated. I was not worried about the other side of Germany and a visit to East-Berlin I was touched and saw the difficult life they have.	
792	KRIEG Mrs. Gisela	Germany	In 1974 we had a conference in Berlin and it was the first step in a new life, and we could not any longer let the young people down.	
796	KRIEG Mr. Heinz	Germany	It is when we were searching for our national identity, because a young man started to tell that if he wanted to get rid of his identity, he was remembered he was German. We had to get up at 4.00 in the morning to write the play. Our ideas began to have legs when 15 young people wanted to participate in the play. When we identify ourselves in with our history, new things appear to us. I hope that each one can discover one's own gift to seek how to use it best.	
813	WALTER Mr.	Germany	I realised that other people have also a problem of identity. The challenge was "how to create a spirit of community to play together." The quiet times we had helped us to put our energies in the right places and not in struggles.	
824	WALTER Mrs.	Germany	I played my own life.	
825	GEERDTS JÖRG	"		
827	CHIP CHENG BEAN Mr.	Cambogia	Changes can happen with the basis of the four standards.	
836	AU SIEK KHEANG Mr.	Cambogia	If we take off all the borders of each country, anarchy will take place.	
849	NOSLEY Mr. J.-L.	South A.	I want to put myself to God's disposal so that change in S.A. can happen
