459 505			we have grown up with mass media etc. somewhere blood is always being shed and we get used to the blood
533			television is a striking example which smashes our culture; spiritual hierarchy needs to be re-established
692			parable about man who finds the truth complete truth comes in silence
654			the intellectual minority needs to return to a cultural poverty
618 601 595 560 522 502 484 454			pointless to pile up knowledge coincidence of opposites icons different words for the mind Indian logic is: it either is or is not image of God is understood by the heart <del>484</del> Athens and Jerusalem
403 385 373			principles are united in: everyone for himself and God for all we divide <del>subject</del> object and subject. I against it - the world of having Buchman's practice supports the philosophical dialogue
353			pluralism is not open and is destroyed by itself
331 313	HOVELSEN, Leif end	N	we need new prejudices and get rid of old
