## MRA Group in city

Chronicle Reporter

A group of 35 people from Moral Rearmament branches in 14 countries were guests of the Mayor, Clr. Eric Hoyle, at a tea party at the City Hall yesterday.

The group, which is in Rhodesia for six weeks, will give a presentation of songs, sketches and miming in the Njube Lutheran church hall today, at Barham Green tomorrow and at a city hotel on Monday.

A spokesman for the group said the show will include case studies of individuals won over to MRA and a talk on some of the results achieved.
