## update

November 29, 2022

Dear Edward,

Russian speaking friends have been working to collect onto one page the most significant Russian language content on the For A New World website. Elena in Moscow has masterminded this with the support of Philip Boobbyer. Although it is still a work in progress, this Collection may be found

at <https://www.foranewworld.info/ru/themes/collections/iniciativy-peremen-podborka-materialov-na-russkom>

Please feel free to share this link with any Russian speaking friends you may know.

Elena writes that the For A New World website is "one of the richest spiritual and intellectual libraries I have ever seen on the Internet. Every day I find some absolute 'must read' in it."

Warm regards,

The For A New World production team
