| No.            | Speaker   | Country   | Notes  | Re-typed |
|----------------|---|-----------|--|----------|
| 3046           | John Amata<br>and                               | Nigeria   | Introduction to subject.<br>Description of the Amata family<br>4 generations.<br>Give your heart and open your<br>home . God who has given us<br>youth who are working with us.<br>I began to work more with my<br>wife.<br>Director of Nat.Serv. programme<br>sent youth to MRA |          |
| 3183           | Joy Amata                                       |           |  |          |
| R/1587<br>0001 | John<br>Honesty with wife, brother<br>daughter. |           |  |          |
| 0114           | Agnew Hofmeyr                                   | S.Africa. | Had a frank talk with my wife<br>here.<br><br>How she met MRA. How she apologised<br>to her father and its effects.<br>People who come and ask their<br>son "do you know a priest who<br>would marry us?"  |          |
| 0342           | John Amata                                      | Malta     | We carry our past into marriage  |          |
| 0394           | Josephine Austad                                |           |  |          |
| 0493           | Bjorn Ole Austad                                | Norway    | How do we become peacemakers if<br>we don't discover how to make<br>peace. I am more of a trouble<br>maker than a peace-maker  |          |
| 0544           | John Amata                                      | France    | Introducing song   |          |
| 054            | Marie Lise and J.Jacques                        |           |  |          |
| 0583           | John Amata                                      | Australia | All 4 brothers have made ourselves<br>available for MRA. We are<br>united because of our common<br>purpose.  |          |
| 0606           | Jonathan Lancaster                              |           |  |          |
| 0660           | Betsy Lancaster                                 | USA       | We live in Manhattan with a<br>commitment to make a difference<br>there.   |          |
| 0703           | Rob Lancaster                                   | Australia | Normal for a family to care for<br>others. Children can take it<br>on too. John Amata visiting<br>Lancasters- flat. When you open<br>your home, you become part of an<br>inspired network of homes   |          |
| 0823           | Jonathan Lancaster                              |           | Nothing automatic abt.unity in<br>marriage. I thought we had<br>our relationship worked out well   |          |
| 0870           | Bente Lancaster                                 |           | What will make our marriage last<br>We are meant to be best friends  |          |
